The last *¹plum tree

Long ago, an old *²couple lived in a small village. They were very poor and had no children, but worked hard every day and lived *³peacefully. They were *⁴honest and kind to other people, so the husband and the wife were liked (①) everyone in the village.

One year, a *⁵plague was *⁶prevalent in their village. Many people, *⁷including young children, *⁸died of the plague because the village was very poor and it had no hospitals. The wife suffered from the plague, too. She was in bed (②) several weeks. The husband took care of her every day, but she didn't get well. The husband said to his wife, "I will buy some medicine for you." The wife said, "No, thanks. I have lived for long and been very happy with you. You can keep the money for yourself. I will die soon." The husband said, "Please don't say such a thing. I want to save your life."

The husband tried to find a person (③) had medicine all over the village, but *⁹unfortunately, it was a small and poor village, so no one had medicine which would be good for his wife. Finally, the husband went to the shrine in the village, and *¹⁰prayed, "Oh, God, please. Please help my wife."

On that night, the husband had a strange dream. He was in the bright light, and (あ)heard a voice. "Tomorrow, early in the morning, go to the top of the mountain behind your house. You can find an old plum tree there. The tree has only one plum. Bring it to your wife. The *¹¹seed of the plum is good for all *¹²sickness and will help your wife. Be careful. The tree is very old and it will die soon. The plum on it now is the last one."

The next morning, the husband went to the mountain. The mountain was very *¹³steep, so it was very hard (④) him to go up to the top, but he was able to get there at last. He found the old tree and got the plum. He was very glad and went back to his house. (⑤) the husband got home, he told his wife about the story in his dream. "Here you are. This is the plum!" said the husband. He gave it to his wife. She received it and said, "Thank you. I am so happy (⑥) have a good husband like you."

Two weeks later, the wife died. The husband felt *¹⁴sorrow. He *¹⁵said to himself, "Why? I couldn't help her. The dream wasn't true." At that time, he found something white under the wife's *¹⁶pillow. "What's that?" He *¹⁷picked it up. It was a letter (⑦) his wife.

.....

*¹⁸Dear my darling,

(い)I have to *¹⁹apologize to you. *²⁰To tell you the truth, I didn't eat the seed of the plum you gave me. I am so sorry. Listen, I was really glad to hear that you climbed the mountain to get the plum (⑧) me. That's true. But I couldn't eat the last plum.

I hope you will save children in our village *²¹instead of me. I *²²planted the seed in the garden in front of our house. Please take care of it. In a few years, the tree will grow and have many plums on it. Please use them to *²³cure sick people, especially children.

Thank you (⑨) giving me a happy life.

.....

The husband cried and cried. After that, he said to himself, “(う)I have to *²⁴realize her dream.” After the wife’s *²⁵funeral, the husband took care of the plum tree every day, and a few years later, it had many plums. He gave them to the sick people around the village and saved many lives.
