(日本からカナダの中学校へ転校した Kenji の自己紹介)

Good morning, everyone! My name is Kenji Takahashi. I'm fourteen years old. My family and I moved here two days ago because of my father's job. I'm not so good at English, but I'll study it hard from now on. I'll be glad if you help me study English.

I have a big brother. His name is Yuta. He is three years older than I. We both like to play baseball and practice it together in the park every day. If you have a baseball team in this school, I would like to join it.

My hobby is playing the piano. I started to play the piano at the age of five. My mother is a professional pianist and she gives me lessons at home. Playing the piano is a lot of fun. I also like to listen to pop music. If you like music, please let me know. Let's talk about music!

My hometown is Nara. It is located near Osaka. Nara is famous for many old temples. A lot of foreigners visit Nara to see its historic buildings. If you would like, I can show you photos of famous temples in Nara.

To be honest, I am a bit nervous. This is my first time living abroad and I don't have any friends here. I really want to make friends with you all. Please feel free to talk to me!
